

New journal: call for papers

Invites Manuscript for Publication in June 2014 issue of the Journal of Applied Engineering Science & Technology, JAEST

Dear Author,

This is an invitation for you to submit manuscripts for publication in the Journal of Applied Engineering Science & Technology, J. Appl. Eng. Sci. Technol. (JAEST - ISSN 2352-9873) of the Faculty of Science and Technology of the University of Biskra.

JAEST is a peer-reviewed quarterly journal dedicated to the applied engineering sciences and technology. The scope of JAEST includes a wide spectrum of subjects including: Electrical, Electronics and Automatic Engineering; Mechanical, Civil and Materials Engineering; Industrial and Chemical Engineering; Environmental and Water Resource Engineering; Architectural and Building Engineering.

The JAEST will be published in a printed edition, as well as an open access e-publication model, meaning that all interested readers are able to freely access the journal online without the need for a subscription, and authors are not charged a publication fee.

The JAEST welcomes manuscripts in english that provide information not previously published in journals in the fields of engineering science research. The JAEST will publish special issues containing the best papers selected from various conferences in sub-fields of applied engineering science and technology. The first issue of the JAEST, comprising of invited papers, will be published towards the end of **June 2014**. We are now inviting submissions for the first issue of the journal. To submit your papers online, please visit [the journal homepage](#).

The JAEST has a distinguished Editorial Board with extensive qualifications, ensuring that the journal maintains high scientific and technical standards and has a broad international coverage. The list of [editorial and advisory board members](#) will be completed with other members in the next few days.

If you have any query please contact us.

We look forward to hearing from you.

Thanks and Best Regards,

Sincerely,

Prof. Adel Benchabane
